Vision

Our **Graduate Profile** is our vision. The student who graduates from Mission Public Schools demonstrates the following characteristics:

- seeks knowledge and understanding
- thinks critically, and solves problems
- communicates effectively
- uses technology as a tool
- interacts effectively with others

Mission

Mission Public Schools is dedicated to inspiring a **passion for learning** and developing the attitudes, skills and knowledge that will enable all students to maximize their potential as positive, responsible participants in our democratic society and the global community.
