October 2025

Ey swayel Silverdale Families,

The first month of school has flown by! It has been a great start up this year, and students are settled into their classes and working hard. We had our first school event last week with the Welcome Back BBQ. It was great to see so many families out! Thank you so much to PAC and all the volunteers who made this event such a success.

October is a busy month with spirit days, Halloween, sports, pictures, Thanksgiving, IEP meetings and parent/teacher conferences. Please make note of all the upcoming dates.

Last chance to get your school spirit wear and represent your Silverdale Bears! Deadline is Oct. 5th : <https://silverdaleelementary2026.itemorder.com/shop/sale/>

Congratulations to our school soccer team on their fantastic performance at the district tournament on Thursday. Our athletes worked hard and did a great job representing Silverdale.

As you are planning Halloween costumes, please make sure you are mindful of school protocols and procedures. We are a K-6 school, so costumes should be appropriate for all ages (not too scary). Please leave costume accessories at home, especially weapons. There will be a Halloween parade in the morning, however it is still a full day of school, including outside recess and lunch. Please make sure the costume will work for the full day, or your child could change out of it after the parade, as it will be first thing in the morning.
